Dear Dr Rangachari

As representatives of the British Institute of Homeopathy, I have followed the progress of the Singapore Faculty of Homeopathy under your direction.

I was particularly interested in the photograph of your 2004 Postgraduate Class. Please send everyone in this year's Diploma and Postgraduate classes my best wishes for their success.

It always gives me pleasure to read of the continuing progress of homeopathy around the world and I am sure that my great, great, great grandfather, Samuel Hahnemann would have joined me in congratulating you on your fine contribution to his 'Healing Art' in Singapore.

With every good wish for the future.

Yours sincerely,

William Tankard-Hahnemann
